The Warriors will be providing the official NBYFC competition sweatshirt. This year, we honor those men and women who serve (and have served) in our U.S. Military and those fallen Americans in the 9-11-01 tragedy. With 2011 being the 10 year anniversary, we thought what better way to honor and remember the lives lost and the heroes among them.

What is “HOO-AH; HUA; HOO-RAH; or OOH-RAH”

No matter how one might spell the word – branches of our military forces use it in some form to pump each other up, show enthusiasm or to show a form of unity and acknowledgement. This word - still an expression of high morale, strength and confidence – is used as a way to motivate and “cheer” on their fellow men/women. When powered by an overwhelmingly proud, and usually loud tone of voice, the word seems to ignite excitement all around. The AirForce uses (HUA) as a way of stating “Heard, Understand, Acknowledged”. The Marines use (OOH-AH) as a spirited “cryout” most commonly to respond to a verbal greeting or as an expression of enthusiasm. The Navy Seals thunder (ooh-rah) at award ceremonies, bellow it from formations, and during/after training missions.

We chose “HOO-RAH” since it signifies our Military’s way of “cheering”!! This year, the NBYFC cheerleaders will honor all of those men/women with their “HOO-RAH” hoodies!! Hoodies will be **BLACK (gildan) and customized to YOUR organization’s team colors while incorporating the Army logo centered with the camouflage background.** We hope you enjoy them!

Sweatshirts ordered after October 7, 2011 will be start at \$40/each (plus \$5 for name & \$2 for 2x+).
20% of the profits from sales will go to the Sam Poueu Trust Account to help the family with Sam’s recovery and costs.
